FOR IMMEDIATE RELEASE

Announcing the 2023 SARA National Design Awards Jury: Celebrating Excellence in Architecture and Design

New York, August 2, 2023- The Society of American Registered Architects (SARA) is thrilled to announce the distinguished panel of jurors for the 2023 SARA National Design Awards. This prestigious event celebrates excellence in architecture and design and recognizes outstanding projects that have significantly contributed to the field.

The jury consists of five renowned professionals from the architecture and design industry, each bringing their unique expertise and perspectives:

1. Winka Dubbledam, SARA
2. Joan Krevlin, SARA
3. Brian Messana, SARA
4. Khalid Watson, SARA
5. Ben Willis, SARA

The 2023 SARA National Design Awards call for submissions is now open, inviting architects, designers, and professionals to showcase their exceptional projects across various categories, such as residential, commercial, institutional, and urban planning.

"As a leading professional organization in architecture, SARA takes great pride in recognizing outstanding architects and designers whose work showcases creativity, innovation, and sustainability," said Ronnette Riley, SARA National VP and Design Awards Committee Co-chair. "We are honored to have such a diverse and esteemed jury panel that will meticulously evaluate and select the most exceptional projects for this year's awards."

The jury will evaluate each submission based on design excellence, functionality, sustainability, and its impact on the surrounding community. Projects that push the boundaries of creativity while adhering to the principles of responsible architecture will be given special consideration.

The winners of the 2023 SARA National Design Awards will be celebrated at an awards ceremony (Oct 28 in Philadelphia, PA), where their remarkable contributions to the field of architecture will be recognized. The event promises to be an inspiring evening, bringing together the finest minds in the architectural community.

Architects and designers across the nation are encouraged to submit their projects for consideration by the esteemed jury. The deadline for submissions is August 11, 2023. For more information on the submission process and guidelines, please visit the official SARA website Saranational.org.

About SARA:
The Society of American Registered Architects (SARA) is a professional organization committed to promoting excellence in architecture and design. With a widespread network of talented architects, SARA fosters creativity, collaboration, and professional growth within the industry. SARA's mission is "Architect Helping Architect".
